After i read the text. I feel a cold chill down my back. My mum was in the hospital! I picked up my bag and start ridding my bike to the hospital as fast as i can.

15 mins later i enter the room my mother was in. I walk towards my mother. She looked at me and smiled. " Are you going to be ok?" i asked.

My mother nodded her head yes. The doctor said she had fainted and had a heart attack in the garden. Suddenly i hear my phone buzz in my pocket, i pick it up to switch it off. Then i see a bit of the text message... i droped the phone and fainted.
